As the leaves Fall..

As of October 2017, FoCo Cafe will be serving lunch **Monday-Friday from 11am - 2pm**. We hope you are able to stop by and join us for our small batch, homemade, new and ever changing seasonal selections. As the seasons change, so does our menu, and there is always something for everyone!

On Thanksgiving Day, November 23, we will celebrate **three years in operation with an incredible holiday lunch**. We hope you will join us for this feast!

On this special day we will also kick off our third year of the **Warm Wishes Scarf Project**. Help us keep the FoCo Cafe community warm by providing a new or handmade scarf (gloves, hats, etc.) along with your special message of hope. We will hang donated scarves in the Cafe for anyone to take and enjoy during the cold winter months.

Our favorite Square feedback about the Cafe in September: *"Wonderful food. Beautiful concept. Amazing staff. One of the best places I've ever been!"*

Onward and Upward,
Mallory Andrews, executive director

Why should you recycle glass at FoCo Cafe?

In Colorado, only 17% of glass actually gets recycled. The rest ends up in landfills and glass contaminates 25% of the other recycled materials it's combined with. Remove glass from your single-stream bin and ensure that it gets recycled by bringing it to FoCo Cafe or another glass recycling site in Fort Collins.

- brown, green and clear beer bottles
- wine and liquor bottles
- drink, food, and other glass containers
- broken glass is accepted too
