

# 2019 SPONSORSHIP REQUEST

Trails and  
Open Space  
Coalition

Spring 2019

Dear Watershed Partner,

The Fountain Creek Watershed Flood Control and Greenway District is hosting the 6th annual Creek Week cleanup from **September 28 through October 6, 2019**. This 9-day cleanup unites the Fountain Creek Watershed communities (from Palmer Lake to Pueblo and beyond), and has grown to be the largest watershed-wide cleanup in the State of Colorado! We rely on the generosity of sponsors like you, and **we need your help to make these cleanups happen!**

2018 “Litter Letter Project” partnership with COPPeR  
Trash-filled letters on Hwy. 24 on display during Art Month

Pueblo – Runyon Lake  
Creek Crew

Litter is not only unsightly but causes serious problems in our community. Litter ultimately ends up clogging and polluting our waterways and stormwater systems, reducing property values, harming wildlife habitat, deteriorating water quality, and disturbing recreation areas.

Thousands of volunteers will help make our shared lands and waterways cleaner and safer by investing their time to clean up litter along the public creeks, trails, parks, open spaces, schools, and private properties throughout the watershed. We need your support to continue this impactful effort that inspires everyone to get involved and make a difference.

### Five years of cleanups have yielded the following amazing results:

Year	# of Participants	# of Creek Crew Teams	Hours Volunteered	Estimated Volunteer Value (\$24/hr)	Tons of Trash Removed
2014	625	42	1,250	\$30,000	6.8
2015	1,549	57	3,098	\$74,352	9.4
2016	2,217	70	4,434	\$106,416	14
2017	2,592	81	5,184	\$124,416	30
2018	2,791	99	5,582	\$133,968	24
<b>TOTALS</b>	<b>9,774 PEOPLE</b>	<b>349 CREWS</b>	<b>19,548 HOURS</b>	<b>\$469,152</b>	<b>84.2+ TONS</b>

Donations from sponsors like you will allow the achievements of Creek Week to continue! Sponsorship directly supports volunteer recruitment, event promotion/ advertising, supplies and services (trash bags, disposal, gloves), and public education on litter prevention. Your monetary and/or in-kind contributions yield invaluable benefits and make a difference locally and downstream, and all the way to the Gulf of Mexico!

*Fountain Creek Watershed is connected to the Gulf of Mexico through the Arkansas River*

### SPONSORSHIP LEVELS
