

Ultra-Mobile, Enterprise-Ready xTablet® Flex 8A

Lightweight and Easy to Carry

Weighing only 1.4 pounds (635g), the mobile xTablet Flex 8A is ideal for mobile workers who carry the device with them throughout the work day. The device comes equipped with a briefcase handle and back hand strap for optimal handling no matter the environment.

Made Rugged for Enterprise Mobility

This ready-to-deploy device comes standard with a protective case and scratch-proof screen protector already applied to the tablet. Additionally, it meets industry standards for MIL-STD-810G, surviving 4-foot drops to concrete with ease.

Industry-Leading Value Pricing

Starting at only \$495, the 8-inch xTablet Flex 8A is value priced for companies who need basic rugged tablets to meet their everyday mobile computing needs.

Quick Release Mounting Options

The optional Snap Mount is easy-to-install and allows for quick release and docking of the xTablet. The space-saving mount is compatible with vehicles, boats, walls, machinery and more.

Do More with Windows 10

With Windows 10 Professional, you've got a great business partner. Windows 10 Pro enables your business to do great things from anywhere, and has the built-in security and flexibility to keep pace with your business growth. Moving from Windows Home to Windows 10 Pro gives you the agile, cost-effective features you need to better manage and protect your systems and data.

Innovation everywhere. **Productivity** anywhere.
