

xTablet T1540

The ultra-thin, industrial-grade tablet for those on-the-go.

Weighing in at a mere 2.4 pounds and charged with a robust, high-capacity battery, makes the T1540 the perfect lightweight solution for those on-the-go. But don't let its size or price fool you. Boasting a more than adequate 10.1" capacitive screen and having survived our rigorous military testing, the industrial-grade T1540 xTablet is a proven performer for those working in the public sector, delivery and service industries.
