xTablet® A1150 Specifications

The Androids are coming to MobileDemand. Like all MobileDemand products, the xTablet A1150 is built for the mobile workforce. The difference is, this tablet is built on the Android platform. While the operating system (OS) is new to MobileDemand, the A1150 is built rugged to withstand the harsh environments today's mobile workforce endures. Android's OS offers users the ability to run multiple applications at one time, but is fast and robust enough to handle complex tasks.
