

VetRxTM

VETERINARY AID

GOAT & SHEEP AID

**BASED ON A FORMULA
IN USE SINCE 1874.**

May be used on all breeds of goats and sheep. For Internal and External application. For the support of healthy upper respiratory function, and to keep ears clean and clear.

Directions:

3 drops in each nostril 4 times daily for 3 days for adult animals.

2 drops in each nostril 3 times daily for 3 days for kids and lambs.

Can be safely used in conjunction with any prescribed veterinary medication.

To Clean Ears

Use on entire herd. Thoroughly coat the inside of each ear with VetRx Repeat daily for 3 days. Do not attempt to scrape off scabs. If there is a lot of discharge begin wiping the inside of the ear with cotton ball soaked in VetRx.

The all natural VetRx formula has been in use for more than 100 years.

CAUTION:

For animal use only. Not for human consumption. Use only as directed. Keep away from Children. Consult a licensed veterinarian when needed.
