Dear Parents,

We have very exciting news! Our school is using an online communication tool to replace the paper messenger notes home, called "LifeCubby." With LifeCubby, you will be able to access your account both online and with an app. LifeCubby allows our school to go paperless with daily reports, activity documentation (including photos/videos) and assessments. You can get the FREE [LifeCubby Family App](#) in both Google Play and iTunes.

We will create your child's cubby, and you will receive an e-vite with your login and password. Please check your email. Your username and password are generated by the system at first, but then once you login you can change them.

Our teachers will use LifeCubby to provide you with journaling about your child's day and daily activities. You, as parents, will also be able to use LifeCubby for your own documentation, as well. You can also invite friends and relatives to be "Cubby Pals" and share the memories. Use the LifeCubby website to manage your account settings and invite "Cubby Pals." Use the LifeCubby Family App to view school uploads and add your own content.

You will have the ability to see your child's Daily Sheet in "Real Time" with updates throughout the day. However, please keep in mind that sometimes the teachers will post updates when they have time, as they are so busy with the children :) So, please don't worry if you check your child's Daily Sheet and see that nothing has been posted yet. The teachers generally post documentation when they have time which might be later in the day.

For more information, please visit www.lifecubby.me or talk to the center director.

Please read and sign the "Photo / Video Share Statement of Understanding" on the next page. Signed forms can be turned in at the front desk.

Please don't hesitate to let us know if you have any questions as we transition to a more paperless school.

Thank you!

Understanding of the Use of Technology in a Group Care Setting, Including:

- Photos & Videos
- Documentation of Daily Activities and Care Events
- Documentation that is Sensitive or Confidential
- Use of Visible Classroom Computer Screens (Documentation Stations) for the Staff

I understand that my child is enrolled in a group care setting. Teachers and caregivers are responsible for the documentation of the day and communications for the benefit of everyone (parents, children, administration, and oversight agencies). I accept and approve of the following:

Photos & Videos

Teachers will be taking both photos and videos in the classroom. I will have access to the entries that include my child. Some entries might be individualized documentation about only my child. Other entries might be about group activities that include multiple children. I will contact the school if there is a photo or video that I want removed. If I want only digital daily sheets but no photos or videos, I will let the center know. I will abide by the school's policy of **no re-posting or forwarding** photos or videos to other digital platforms.

Documentation of Daily Activities and Care Events

Teachers will use center-provided computers, tablets, or iPods to post photos, videos and daily care events, such as daily activities meals, diaper changes and naps. The amount recorded daily will look different based on the child's age. The security on these devices only allow LifeCubby access – Nothing else online is permitted. My daily reports will be digital, accessible by me via my account in an app and online. I understand that when I see teachers interacting with computers, tablets or iPods in the classroom, they are performing the required duty of documentation.

Documentation that is Sensitive or Confidential

Some of the documentation that teachers are required to maintain may be sensitive or confidential, such as medications administered or disciplinary action. I understand that teachers will need to use classroom technology for this documentation, and I will always respect the privacy of the classroom technology.

Use of Visible Classroom Computer Screens (Documentation Stations) for the Staff

Live messaging, similar to Intercom Systems, are incorporated as a part of the LifeCubby system. An example of a live message might be an alert that will appear on the screen to remind the teachers that it is time to administer medication for a student. I understand the confidential nature of such an alert message, and will not violate the privacy rights of that child and parents. I understand and agree to the following: If what is on the screen does not pertain to me or my child, it is none of my business and I will ignore it. To keep the focus on the class our teachers will not be responding to live messaging from parents throughout the day. You may call the office if you need to be in touch with them.

By signing the permission slip, I understand and agree to the terms listed above and the use of LifeCubby for my child at my child's school.

Additional Notes and Instructions

Help Us Provide Better Meals and Snacks!

We need EVERY FAMILY to complete the attached form
and return it to the office NOW!*

It only takes a few minutes.

To provide higher quality meals and snacks for the children at the center, this center participates in the US Department of Agriculture's CACFP food program.

For every family enrolled, the center receives some reimbursement from the food program. The center receives *higher* reimbursement when more families properly complete this form.

The funds the center receives from the food program enable us to provide higher quality meals and snacks to the kids at no additional cost to the parents. It is basically an extra source of funds (besides parent tuition).

If you have any questions, please ask. We would be happy to help.

Thanks

*Why NOW? Because if you take it home, it probably won't come back for awhile...
We understand. Life gets pretty busy.

Dear Parent/Guardian:

This letter is intended for parents or guardians of children enrolled in a child care center. **Growing Kids- Goshen** offers healthy meals to all enrolled children as part of our participation in the U.S. Department of Agriculture's (USDA) Child and Adult Care Food Program (CACFP). The CACFP provides reimbursements for healthy meals and snacks served to children enrolled in child care. Please help us comply with the requirements of the CACFP by completing the attached Application for Free and Reduced Price Meals. In addition, by filling out this form, we will be able to determine if your child(ren) qualifies for free or reduced price meals.

- 1. Do I need to fill out a Meal Benefit Form for each of my children in day care?** You may complete and submit one CACFP Meal Benefit Income Eligibility Form for all children enrolled in child care in your household **only if the children in child care are enrolled in the same center.** We cannot approve a form that is not complete, so be sure to read the instructions carefully and fill out all required information. **Return the completed form to: Growing Kids 3212 Elkhart Rd Goshen, IN 46526**
- 2. Who can get free meals without providing income information?** Children in households getting Supplemental Nutrition Assistance Program (SNAP) (formerly Food Stamps) or Temporary Assistance for Needy Families (TANF) can get free meals. Foster children and children enrolled in Head Start are also eligible for free meals. Children in households participating in WIC may be eligible for free meals.
- 3. Who can get reduced price meals?** Your children can get low cost meals if your household income is within the reduced price limits on the Federal Income Chart, shown on the application. Children in households participating in WIC may be eligible for reduced price meals.
- 4. May I fill out a form if someone in my household is not a U.S. citizen?** Yes. You or your children do not have to be U.S. citizens to qualify for meal benefits offered at the child care center.
- 5. Who should I include as members of my household?** You must include all people in your household (such as grandparents, other relatives, or friends who live with you). You must include yourself and all children who live with you. You also may include foster children who live with you.
- 6. How do I report income information and changes in employment status?** The income you report must be the total gross income listed by source for each household member received last month. If last month's income does not accurately reflect your circumstances, you may provide a projection of your monthly income. If no significant change has occurred, you may use last month's income as a basis to make this projection. If your household's income is equal to or less than the amounts indicated for your household's size on the attached Income Chart, the center will receive a higher level of reimbursement. Once properly approved for free or reduced price benefits, whether through income or by providing a current SNAP or TANF case number, you will remain eligible for those benefits for 12 months. You should notify us, however, if you or someone in your household becomes unemployed and the loss of income causes your household income to be within the eligibility standards.
- 7. What if my income is not always the same?** List the amount that you normally get. For example, if you normally get \$1000 each month, but you missed some work last month and only got \$900, put down that you get \$1000 per month. If you normally get overtime, include it, but not if you only get it sometimes.
- 8. What if I have foster children?** Foster children that are under the legal responsibility of a foster care agency or court are eligible for free meals. Any foster child in the household is eligible for free meals regardless of income. Households may include foster children on the Meal Benefit Form, but are not required to include payments received for the foster child as income. Households wishing to apply for such benefits for foster children should contact **Emily Denning, 3212 Elkhart Rd Goshen, IN 46526, 574-875-8005.**
- 9. We are in the military, do we include our housing and supplemental allowances as income?** If your housing is part of the Military Housing Privatization Initiative and you receive the Family Subsistence Supplemental Allowance, do not include these allowances as income. Also, in regard to deployed service members, only that portion of a deployed service member's income made available by them or on their behalf to the household will be counted as income to the household. Combat Pay, including Deployment Extension Incentive Pay (DEIP) is also excluded and will not be counted as income to the household. All other allowances must be included in your gross income.

In the operation of child feeding programs, no person will be discriminated against because of race, color, national origin, sex, age or disability.

If you have other questions or need help, call **574-875-8005**

Sincerely,

Emily Denning
