

WELCOME TO GROWING KIDS LEARNING CENTERS

Instructions for Completing the Enrollment Forms

At **Growing Kids**, our enrollment forms can be completed by hand or online. For many parents, the online option is typically easier and more convenient.

- **Adobe Acrobat Fillable Form** – you should be able to complete the enrollment forms from any device that support PDF forms. Let us know if you have any difficulty.
 - Please provide all the information requested on the enrollment forms. Even though a line may not be a “required field” on the form, we still need the information to provide great care and comply with child care center licensing requirements.
- **Signatures Electronic or Manual** –
 - The forms can be fully completed online including electronic signatures. This may require you to create a signature account. Once complete, the forms can be emailed back to **Growing Kids**, saving you a trip to the center.
 - The forms can be completed online and printed for manual signature if that option is easier for you. The signed hardcopies will then need to be returned to the center before your child’s first day.
- **Updating Your Child’s Information Later** – Often information on your child’s enrollment form has to be updated. Examples include new phone numbers or work information, or changes in authorized pick-up people, etc. This is easier with online forms if you save a copy of the PDF. Simply make the change to the original form, resave the updated forms and resend to **Growing Kids**. The signature on each page locks that page. Clear the signature to allow changes.
- **Re-Enrollment or Multiple Children** – Save the PDF for the first child or original enrollment. You can use it as a starting point, make the necessary changes at re-enrollment time or for additional children to save time. The signature on each page locks that page. Clear the signature to allow changes.
- **First Question!** – Which center are you enrolling in?
 - **Important! Please answer this question before printing out the forms.**

Questions – Don’t hesitate to ask.

Thanks again and welcome to **Growing Kids.**

Parent Communication using LifeCubby online service

Growing Kids uses an online application called LifeCubby to document and communicate your child's development while at the center. LifeCubby replaces almost all paper messenger notes sent home. We also use LifeCubby to text and email you news about the center.

- LifeCubby will email each parent an invite to create an account.
- Teachers will post updates about your child and the classroom throughout the day. Keep in mind that the teachers post when they have time, which may be later in the day.
- More Information can be found at www.LifeCubby.me.

As a condition of being enrolled at the center, I accept and approve the following:

Photos & Videos for Use on LifeCubby

Teachers will be taking both photos and videos in the classroom. I will have access to the entries that include my child. Some entries might be individualized documentation about only my child. Other entries might be about group activities that include multiple children. I will contact the school if there is a photo or video that I want removed. If I want only digital daily sheets but no photos or videos, I will let the center know. I will abide by the school's policy of no re-posting or forwarding photos or videos to other digital platforms.

Documentation of Daily Activities and Care Events

Teachers will use center-provided computers, tablets, or iPads to post photos, videos and daily care events, such as daily activities meals, diaper changes and naps. The amount recorded daily will look different based on the child's age. The security on these devices only allow LifeCubby access – Nothing else online is permitted. My daily reports will be digital, accessible by me via my account in an app and online. I understand that when I see teachers interacting with computers, tablets or iPads in the classroom, they are performing the required duty of documentation.

Documentation that is Sensitive or Confidential

Some of the documentation that teachers are required to maintain may be sensitive or confidential, such as medications administered or disciplinary action. I understand that teachers will need to use classroom technology for this documentation, and I will always respect the privacy of the classroom technology.

Use of Visible Classroom Computer Screens (Documentation Stations) for the Staff

Live messaging, similar to Intercom Systems, are incorporated as a part of the LifeCubby system. An example of a live message might be an alert that will appear on the screen to remind the teachers that it is time to administer medication for a student. I understand the confidential nature of such an alert message, and will not violate the privacy rights of that child and parents. I understand and agree to the following: If what is on the screen does not pertain to me or my child, it is none of my business and I will ignore it. To keep the focus on the class, our teachers will not be responding to live messaging from parents throughout the day. You may call the office if you need to be in touch with them.

I already have a LifeCubby Account (ex. from a prior child care provider).

By signing the permission slip, I understand and agree to the terms listed above and the use of LifeCubby for my child at my child's school.

ENROLLMENT AGREEMENT

As a condition of enrollment, I accept the following:

Authorized Pick Up - Growing Kids Learning Center will only release my child to me or to a person that I name, using the check in and check out process provided by the center. Both I and any person whom I have named are responsible to inform a member of the **Growing Kids** Learning Center staff of my child's arrival and departure. I will not share access codes, computer passwords, or other security measures with anyone unless I have written authorization from **Growing Kids** Learning Center in advance.

Non-Solicitation – While I am using the services of **Growing Kids** Learning Center and for six (6) months thereafter, I agree not to solicit or retain any **Growing Kids** Learning Center employee to provide services for me or any member of my family that are the same as or similar to the services that **Growing Kids** Learning Center provides.

Agreement to Pay Tuition – I have read and signed a Tuition Agreement that specifies the tuition amount and the frequency of payments to **Growing Kids** Learning Centers for services rendered. I agree to pay all amounts owed according to the terms and conditions of my Tuition Agreement. Failure to pay tuition may result in suspension or termination of services.

Acknowledgements and Assumptions of Risks Related to COVID-19 – The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is reported to be extremely contagious. The state of medical knowledge is evolving, but the virus is believed to spread from person-to-person contact and by contact with contaminated surfaces and objects, and even possibly in the air. People reportedly can be infected and show no symptoms but still spread the disease. The exact methods of spread and contraction are unknown. Evidence has shown that COVID-19 can cause serious and potentially life-threatening illness and even death. I understand that **Growing Kids** Learning Centers cannot prevent me or my child from becoming exposed to, contracting, or spreading COVID-19 while using the company's services or premises. It is not possible to prevent the presence of the disease with absolute certainty. Therefore, if I choose for myself or my child to enter **Growing Kids** Learning Center's premises or to use **Growing Kids** Learning Center's services, I may be exposing myself and my child to COVID-19 and increasing our risk of contracting or spreading COVID-19. On behalf of myself and my child, **I KNOWINGLY AND VOLUNTARILY** choose to accept and assume the risk of contracting COVID-19 in order to utilize **Growing Kids** Learning Center's services.

Waiver and Release of Liability – To the fullest extent permitted by applicable law, and on behalf of myself, my child, and my other family members, heirs, next of kin, assignees, executors, successors, and administrators of my estate, I fully, finally, and forever release, discharge, hold harmless, and covenant not to sue **Growing Kids** Learning Center and its officers, directors, agents, employees, shareholders, insurers, attorneys, and representatives (collectively referred to as the "Released Parties"), individually and collectively, as to any and all claims for personal injury or death, property damage, medical expenses, economic loss, claims, other damages, expenses, costs, fees, and other liabilities of any kind or nature, including without limitations attorneys' fees and court costs, arising out of or related to any or all of the following: (a) the business use or publication of photographs or video or audio recordings containing my child's image, likeness, or depiction, including but not limited to claims arising out of or related to invasion of privacy, appropriation of name, likeness, or image, public disclosure of private facts, false light, intrusion, defamation, infliction of emotional distress, rights of publicity, negligence, or copyrights, or any claim for compensation of any kind for the use or publication of the photographs or video or audio recordings; (b) services performed by **Growing Kids** Learning Center employee whom I retain directly, and not through **Growing Kids** Learning Center, to provide childcare services at a location other than a **Growing Kids** Learning Center facility; and (c) the actual or potential exposure to, infection with, or spread of any disease, **INCLUDING BUT NOT LIMITED TO COVID-19**. This release applies to any and all claims, demands, causes of action, suits at law or equity or otherwise, whether known or unknown, and liability of any kind or nature whatsoever, including, but not limited to, liability for damages arising from or related to the negligence of any Released Party, any customer, my child, or myself, that are described above and that I am permitted to release pursuant to applicable law.

I HAVE READ THIS RELEASE, AND I KNOWINGLY AND VOLUNTARILY AGREE TO ITS TERMS.

CACFP Meal Benefit Income Eligibility Form Instructions

The Child and Adult Care Food Program (CACFP) makes good food a regular part of day care! Please fill out the *CACFP Meal Benefit Income Eligibility* form. It helps us find out if your household qualifies for free or reduced-price meals. This lets us know how much money CACFP will give to support your day care center.

Instructions

Here are instructions to help you fill out the form. Before you begin, turn the form over to learn why we ask for this information. It tells you how we use the information and what rights you have. It also tells you how to contact USDA if you believe you are treated unfairly.

Please make sure to fill in all of the requested information. Use a pen to mark your answers on one form. When you are finished, please return the form to us at:

Growing Kids

Step 1:

List everyone from your household attending the day care. Use one line for each person's name. Write one letter in each box. Stop if you run out of space. If there are more than five people, add their names on a second piece of paper.

Do you have any foster children? If you answer *Yes*, mark the *Foster Child* box next to the child's name. If you are only applying for foster children, finish Step 1 and go to Step 4. If you are applying for both foster and non-foster children, go to Step 2.

Are any children migrant, runaway, homeless, or enrolled in Head Start? If *Yes*, mark the correct boxes next to the child's name and go to Step 4.

Step 2:

For Childcare: You qualify for free meals if you live in a household that receives Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families (TANF), or Food Distribution Program on Indian Reservations (FDPIR).

For Adult Daycare: You qualify for free meals if you live in a household that receives Supplemental Nutrition Assistance Program (SNAP), Food Distribution Program on Indian Reservations (FDPIR), Supplemental Security Income (SSI), or Medicaid benefits.

Do any household members, including you, currently receive these benefits? If *Yes*, write the case number in the box and go to Step 4. You only need to provide one case number. If *No*, go to Step 3.

Step 3:

Report current income for all household members. Skip this step if you answered *Yes* in Step 2.

How do you report child income? Turn the form over and use the *Source of Income for Children* chart to see if your household has income to report. Write the amount in the boxes in part A of the form. Mark how often the amount is earned. Write *0* in the box if there is no income to report.

How do you report income of adult household members? Turn the form over and use the *Source of Income for Adults* chart to see if your household has income to report.

In part B, list the adults in your household, including you, even if each of you doesn't receive income. Include adults, such as grandparents, other relatives, and friends who live with you and share household income and expenses. Write the amount of income each of you receives, in the boxes next to your names. Mark how often the amount is received. Write *0* in the box if there is no income to report.

Make sure you report the current amount of money you get before taxes. Don't include SNAP, FDPIR, WIC, student financial aid, or money you receive for a foster child as income.

Count the number of all children and adults in your household. Include all infants, children, students, and adults. Write the total number in the box under the list of adult household members.

Do you or another adult household member have a Social Security number? Write the last four digits in the boxes. If there is no Social Security number, mark the *Check if no SSN* box.

Points to Remember:

If:	Then:
Your income isn't always the same	List the amount of money that you normally get. For example, don't include overtime pay, if you don't normally get it. If your income is normally higher or lower, you can report annual income instead.
Your household includes members who aren't citizens	Participants don't have to be U.S. citizens to qualify for meal benefits.
You are in the military	Don't include your Family Subsistence Supplemental Allowance (FSSA), combat pay, or the money you receive for privatized housing. If deployed, count any pay that is provided to your household as income.

Step 4:

An adult household member must sign this form. The signer promises that all information is true and complete.

Print the name, address, and telephone or email of the adult signer. Sign and write today's date in the marked boxes.

Optional: We ask about the participants' ethnicity and race to make sure we do our best to serve our community. Providing this information is not required. You won't be denied benefits based on your race, color, national origin, sex, age, or disability.
