

bleed zone is clipped off
caution zone

- **Bleed Zone** - background art touching edge of envelope should extend to fill the bleed margin. Use Caution Bleed for converted jobs Only
- **Envelope Edge**
- **Caution Zone 1/8"** - envelopes misregister in press so do not place text or logos in this area.

Delete all template art.
hop is not responsible for template art printing on your finished product.

#9 = 8.875" x 3.875"

non-image area 7/16" @ bottom
