TABLETOP GAS GRILL

11,000 BTUs

The Char-Broil® Portable Gas Grill is designed for on-the-go, anywhere grilling

It features 190 sq. in. of cooking space and durable porcelain-coated grates that are rust-resistant and easy to clean

PRO TIP:
DON'T PEEK! The only time you should lift the lid is for spritzing the meat or checking the internal temperature.

PRO TIP:
Use a Marinade Injector! Prior to smoking, inject large pieces of meat with sauces that contain butter, herbs, beef or chicken broth using a marinade injector. The injected liquid will add flavor to the meat and keep it juicy, especially for long smoking times.
