Re: Letter of Recommendation

Morongo Casino Resort and Spa has used West Coast Hotel Liquidation over the past year in our renovation. They assisted our general contractor in movements of case goods, during the hotel renovation process.

In all projects West Coast Hotel Liquidation has participated in at Morongo Casino Resort and Spa, they have exceeded all of our expectations and we value our relationship with them. We will continue to work on various upcoming projects with West Coast Hotel Liquidation.

I, Thomas Mueller, personally recommend West Coast Hotel Liquidation for hotels and properties that need assistance in the movement of goods for the purpose of a renovation. If I could be of any more assistance, please contact me directly at 951-755-5410.

Best regards,

Thomas A. Mueller
Executive Director of Resort Operations
