October 2017

Fall has arrived, perfect pumpkin picking time! Also, it's a great time to be taking walks, watching the leaves change colors, and having family get togethers (Sunday Football) Go Giants!!

With the change of weather please bring in extra, weather appropriate clothing to keep in your child's cubbies!

Have some fun and decorate the trunks of your cars to hand out candy after our parade.

We are hoping to get the firefighters here to help us learn about fire prevention and safety, they may even let us on the fire trucks! Fun!!!!

Come to the office to sign up for one or ALL of our enrichment programs : Shualife (karate), Fun bus, or Stretch –n– grow! The children have a blast at these programs!

Shania in our infant room!

Inspirational Quote

Children learn as they play, most importantly,
in play children learn *how* to learn.

Acknowledgement Alley:

We want to congratulate the toddler room for working so hard and making the room(s) more enjoyable than ever for our little ones to learn, grow, and move. They are loving it!!!
