activities

Art

Penguin 🐧 art projects

Alphabet Skills

Letter N words, song, sound, recognizing pictures that begin with letter N, identifying letter N in a word

Morning Meeting, Music

Winter songs and poems

Morning Meeting

Calendar (month, days of the week, counting the days), weather, flag salute.

Word Study

Sight words: go, see, me, can, to, do, we, for, yes, no

Math

Adding numbers to make 10

Reading

Identifying words that rhyme

Alphabet Skills

Identifying initial sounds and final sounds

Math, Physical And Motor Development

We used play dough to make number sets. Counting skills and fine motor skills.

Reading

We read Penguins Love Colors.

Science

Experiment: learning about penguin feathers (baby soft feathers & adult oily feathers). We put water on the soft cotton and water on the oily feathers. Ask your child what happened.

Physical And Motor Development

Outside play 🧸🧸🧸

Reading

We read The Mitten Tree.

snapshots

Science 10:23 AM - Experiment fun: we painted our hands with oil and then added water. We are learning how a penguins oily feathers help them to keep warm.

Science 10:26 AM - Experiment: understanding the difference between the baby penguin feathers and the adult feathers. Also, we sprayed water on both feathers. Ask your child what happened....

Math, Physical And Motor Development 10:28 AM - Counting and making number sets using play

dough.
