activities

Circle Time

We started the morning off by saying good morning to all of our friends! We sang some of our favorite songs including the abc's, our rainbow song and much more. We sang " Twinkle Twinkle little star ✨", we also sang the wheels on the bus with the help of our felt board for letter recognition. We also practiced moving our name on The Who's Here Today board. Today we also looked at each friend and named the colors our friend was wearing!
