COMPOSITE AVERAGE	416	13	357

**Prices are F.O.B. Mill, excluding freight**

**Composite Average**

**OSB Average**

Most activity this week was seen in dry DF as mills pushed quotes higher and order files extended into late January and early February. Strong demand for 2x4 and 2x6 9 & 10 footers lead the way. Winter weather continues to disrupt carloads of OSB out of Western Canada and put some wholesalers out of stock. Freezing temperatures in the South slowed OSB production and prices were flat. Roll tide!

All items are priced as a **general market** guide. Please call our sales office for specific quotes in your respective market.
