Composite Average	316	-15	558

Prices are F.O.B. mill, excluding freight

Another tough week for commodities in general saw SYP dimension inflicted with another round of substantial price erosion. There seems to be no shortage of avenues to acquire SYP, and just about everyone wants last look. SPF was the exception this week as further supply curtailments allowed a respite in the downward pressure. OSB numbers softened as well with plenty of prompt availability just about everywhere.
