OSB sales continued to lag across most markets as mills lean on late September order files and recent shutdowns. Secondaries seem to have plenty of contract wood to offer and discounts can still be found in most western OSB markets. Random Length lumber markets remained active with 2x6 posting gains across most species. Another 100 million BF curtailment announcement from West Fraser sparked some activity in SPF markets. Dry HF/DF studs were surprisingly quiet and mills saw little follow through from last week's activity.
