TERMS AND CONDITIONS

BILLINGS/PAYMENTS

Invoices for material purchased by Applicant ("Buyer") and billed to Buyer will be paid in accordance with the terms set forth herein Idaho Pacific Lumber Company, Inc. ("IdaPac"). IdaPac shall submit invoices to Buyer on at least a monthly basis, and payment to IdaPac shall be due within 30 days of the date of the applicable invoice. If an invoice is not paid in full within 30 days of the invoice date, Buyer's account shall be assessed a finance charge of 1.5% (18% annual rate) of the unpaid amount for the preceding 30-day period and each 30-day period (or portion thereof) thereafter. In addition, IdaPac shall have the right to stop shipment of any materials ordered by Buyer until all past-due amounts have been paid in full. Any discounts offered by IdaPac shall expire on the discount date. Buyer shall be responsible to pay for any discounts it receives pursuant to checks that cannot be processed by IdaPac. IdaPac shall have the right to offset past-due amounts on a project with any excess payments made by Buyer on other projects. Buyer expressly waives any right it may have to direct the application of payments to IdaPac on delinquent accounts. Payments made by credit card will be charged a 3% convenience fee on the total amount of the payment (including sales tax).

ADDITIONAL PURCHASES

Any additional purchases will be priced and sold at the prices in effect when ordered.

RETAINAGES

Under no circumstances does IdaPac accept retainage to be held on materials supplied. Should retainages be held on materials we supply, your account will be aged without consideration for retainage amounts and will therefore be subject to finance charges as any other past due account is subject to such charges. Should retainage amounts cause your account to become over 30 days past due, IdaPac has the right to stop shipment of materials ordered until such time as payments are brought current.

No representation or warranty is expressed or implied as to the adequacy or completeness of the Bid List or to the materials included on the Bid List's compliance with local building and fire codes.
