

Indy STEAM Academy

“Critical Thinkers • Innovators • Problem Solvers”

The mission of Indy STEAM Academy is to nurture the academic and creative talents of students through Science, Technology, Engineering, Arts, and Mathematics. We provide a strong foundation in literacy to ensure the academic success of all students. We prepare students to take advanced coursework in high school and college to become highly qualified to acquire STEM jobs in a 21st century global workforce.

If you are seeking to make an impact on teaching and learning while working in a positive school culture and climate that provides resources to support academic and professional excellence then Indy STEAM Academy is the place for YOU!

JOB DESCRIPTION

Position:	Physical Education Teacher (Elementary)
Reports To:	CEO/Head of School
Classification:	Certified
Location:	4020 N. Sherman Drive, Indianapolis, IN 46226
Salary:	Salary Schedule
Contract Term:	10.5 Months

Job Summary

The Elementary Physical Education Teacher is responsible for nurturing the health, wellness, fitness, and physical growth of students. The Elementary Physical Education Teacher provides innovative games and challenges that promote physical activity among students to support the integration of STEAM (Science, Technology, Engineering, Arts, Mathematics). The Elementary Physical Education Teacher promotes the development of motor skills, physical development, proper exercise, and healthy eating habits among students. The Elementary Physical Education Teacher works with students on athletic activities after school. The Physical Education Teacher creates a positive school climate and culture and a welcoming classroom environment, develops and implements physical education lesson plans that are aligned with the Indiana Academic Standards, reinforces classroom expectations and procedures, observes and evaluates student performance, and grades student performance. The Elementary Physical Education Teacher partners with parents to ensure the academic success, social-emotional and physical well-being of students. The Elementary Physical Education Teacher participates in staff meetings, grade level teams, local and school-wide professional development to enhance his/her knowledge and overall effectiveness.
