EXPERIENCE

Kentlands Psychotherapy

| 301 Inspiration Ln., Second Floor, Gaithersburg, MD 20878

Clinical Social Worker February 2015 – present

As a therapist at Kentlands Psychotherapy, I provide individual counseling to children, tweens, and teens around issues including school refusal, anxiety, ADD/ADHD, divorce, and recovering from trauma. My sessions are structured around the individual clients needs and include CBT, DBT, family dynamics, and mindfulness practices. Family members are often included in sessions depending on the needs of the client and family system.

The Treatment and Learning Center – Katherine Thomas School

| 9975 Medical Center Drive, Rockville, MD 20850

High School Social Worker April 2011 – February 2015

During my employment at Katherine Thomas, I provided individual and group therapy to high school students as outlined by the social-emotional and behavioral goals on their Individualized Education Plan (IEP). I also developed and updated IEP goals, attended IEP team meetings, consulted with staff and outside providers, provided education and resources to parents, implemented school wide PBIS program, and developed school wide assembly on anti-bullying.

Behavioral Health Response | 12647 Olive Blvd., Creve Couer, MO 63141

Crisis Intervention Counselor April 2007- March 2009

As a Crisis Intervention Counselor it was my main responsibility to answer incoming calls from over 65 different phone lines. I provided brief counseling and community referrals to clients on issues ranging from suicidal/homicidal ideation, grief, veterans issues, and severe mental health issues.

Court Appointed Special Advocates of St. Louis County | 121 S. Meramec Ave., St. Louis, MO 63105

Case Advocacy Supervisor September 2002- April 2003

As a Case Advocacy Supervisor, I was responsible for supervising 15 child advocate volunteers. I assisted in home visits, court appearances, and court documentation for children under jurisdiction for abuse and/or neglect. I also facilitated volunteer training sessions and advocated to the local government to increase the rights of foster families.

Hazelwood School District | 315 1st Capitol Dr., St. Charles, MO 63301

Early Childhood paraeducator 1999-2001

As a paraeducator for the Hazelwood School district, my duties entailed assisting the classroom teachers, running academic activities, and collaborating with school professionals to act in the best educational interests of the children in my classroom and center. I assisted in a special education classroom as well as an autistic classroom for children from ages 3 through 5.
