### Donuts & Coffee Fellowship

The Enhancement and Design team is working to improve the worship appearance at King of Glory by offering a welcoming area for visitors and members. **In order to facilitate fellowship, we are having donuts and coffee in the fellowship hall for the next several weeks.** It is a larger space with tables, chairs and air conditioning so people can visit more comfortably. We hope this will relieve some of the congestion after the outdoor worship service.

**House of Neighborly Services Request for July is Rice.** Please drop off your donation in the "House" in the Octagon. Thank you.
