**A HUGE thank you to the wonderful team** who showed up Sunday for our God's Work, Our Hands Glory Garden project PLUS! What a fantastic effort by everyone present. Not only did we get mission accomplished on the perimeter mulch project, but we also made tremendous progress on the flagstone walkway to lead to the south entrance to the garden. And even when folks were resting they were brainstorming a great way to complete the flagstone walkway. What a glorious day it was! A most sincere thank you to all! The Glory Garden will benefit from your collective hard work for a long time to come! God's blessings all. Leo & Roxane
