**Faith Formation Thought: Epiphany! Epiphany means "manifestation".** On this day, we celebrate the manifestation, the revealing of the Christ child to the Magi. They were led by the star and a dream. God speaks to us in many and various ways. How is God revealed to you? How might you take time this week to recognize God around you? In addition, in what ways can you manifest God to others? Thank you, God for your bright light which leads us always to the Christ child. Amen.

**Recommended Donations for HNS - January request is canned vegetables.** Please drop off your donation in the "House" in the center doorway. Thank you!
