## Holden Village -- March 16-20, 2020

Holden Village is a retreat center, the home of a Lutheran congregation, and an intentional community set in the Cascade Mountains of Washington State. It can be difficult to describe the multi-faceted experience of Holden so it's best to visit in person. A group from Northern Colorado Lutheran churches will be going over spring break: Monday March 16 through Friday March 20 of this coming spring. We're aiming for a group of 15-24.
