

KW Plastics

#1 Sanders Road • Troy, Alabama 36079 • (334) 566-1563 • (800) 633-8744
Fax: (334) 566-1512 • www.kwplastics.com

February 17, 2010

To Whom It May Concern:

Pursuant to inquiries on the latex content in our polymer products, we submit the following statement:

KW Plastics neither manufacturers nor adds latex materials to our products. Further, we currently detect no latex in our supply stream, present in the finished product, or removed in the cleaning process by-products.

Please contact me should you have further questions.

Sincerely,

Doug McLendon

Quality Assurance Manager/Polymer Chemist
