

To support our LifeStream Community of Schools, we put together the following *sample* communications for your applicant families to request they use LifeStream portfolios to send you any supplemental information for their application. Should you need further assistance, please do not hesitate to contact us at CustomerService@LifeStreamDigital.com.

SAMPLE LETTER FOR SCHOOLS

Dear Applicant,

Thank you for your interest in {SCHOOL NAME}. We look forward to receiving your application! We work hard to have a holistic approach to our admission process. While we do not require that you send us information to supplement your application, should you want to send samples of your work, projects, athletic videos, community service work or other, we want to let you know that {SCHOOL NAME} is part of the LifeStream Community of Schools and would prefer you to use a LifeStream portfolio to consolidate and send us any supplemental information for your application.

More information for LifeStream portfolios can be found at www.LifeStreamDigital.com or contact CustomerService@LifeStreamDigital.com.

Thank you.
