PARENTS OF HIGH SCHOOL AND COLLEGE APPLICANTS:
JOIN US FOR CONVERSATION AND COCKTAILS

THE PARENTS' ROLE IN
THE APPLICATION PROCESS:

Empower Your Child to Create a Compelling Story That Stands Out

Whether your child is just starting his/her high school or college application, or well into the process, this is a workshop you won't want to miss! Three education experts will focus on YOU – how parents can help their child enhance the application process through storytelling techniques.

Highlight the student's life details via the essay, activities, interview and resume, in a cohesive manner that distinguishes the applicant and creates a lasting impression on the admission committee.

We welcome parents to join us for a lively, interactive discussion. Our roundtable with refreshments format is designed not to lecture to you, but rather to respond to your concerns and questions.

There is no cost to attend, but space is limited.
