- All visits must be pre-arranged and approved through the director after a resident has completed his first 90 days. Thereafter family may request visits no sooner than every 30 days. A visit request form must be properly completed and submitted prior to any visits. Visits must be pre-arranged a minimum of (2) two weeks in advance of the visit. All visits must be approved in advance by the Director.
- All members of the visitation party must arrive and begin visitation together. Immediately upon arrival, any and all visitors must meet at the Business Office during office hours or with the supervisor on duty after office hours. Visitors are expected to show respect to all Ranch furniture, facilities, equipment and guidelines and all visitations must be approved prior to visit.
- Residents are required to follow all normal campus rules even during visitation time and are not permitted to leave campus with guests at any time, use cell phones or computers belonging to guests or have access to the internet. Therefore, all visitor cell phones, laptop computers, iPads or other internet-accessible tools are prohibited during the times of visitation: they must be left in the vehicle or checked in at the office.
- No food or beverage item(s) may be brought onto Campus unless approved prior to visit.
- Any gifts brought must be submitted for approval in advance at the business office.
- Any items brought onto campus must be brought directly to the Business Office for the Director to inspect. Items will be inspected and then if appropriate, given to the resident.
- Be aware that all residents are subject to a strip search following a visit if deemed necessary and all visits may be monitored.
- All buildings on the Campus are OFF-LIMITS except for the Administration Building
- Guests may request to walk around the grounds, always staying between the paved roadway and the Administration Building and picnic area. Ranch Barn, pole barn, chicken coop, gardens, staff housing, Dorms are all OFF Limits to Guests.
- Meals are only available if arrangements have been made in advance. For each visitor meal, your account will be charged \$5. Donations are always welcome.
- A family visitation room will be provided for you and your son's visit; however NO food or beverage is allowed in Family Visitation Room.
- The resident and his guests are required to stay together as a group throughout the visit.
- Visitation Schedule. Visitors must comply with the pre-approved schedule. If the visitor does not show up, or if they are late, they will probably lose their chance for visitation, as the Ranch follow a strict daily schedule of activities and cannot wait for them, when late.
- Any deviation from this policy must be approved by the director. This Visitation Policy is subject to change without notice. All communication at Visitation must be conducted in the English language.
- Visitation Request Form must be submitted and approved in advance.

Note: Regarding New Residents: After admission, a minimum of 90 days with good behavior is required before the first visit will be allowed. Only those directly related to the resident will be allowed to visit (father, mother, grandfather, grandmother). Visitors such as brother, sister, pastor, etc. are allowed only on a case-by-case basis and must be pre-approved by the Director in writing. Because of our on-going program, visitors are limited to small groups.

PHONE CALL POLICY- Calls to residents are only accepted from approved parents/guardians. Phone calls are only on the first thru fourth Thursdays. Monthly phone call schedules are assigned to parents/guardians during the intake process. Calls to residents from their Pastors are allowed as deemed necessary by the Pastor and do not affect the calling privileges of the parents. All phone conversations must be conducted in the English language. If your son is expecting a phone call, please do not disappoint him and neglect the regularly-scheduled call. It is critical that you call exactly at your assigned time slot on the time schedule.

MAIL POLICY - Mail time at the ranch is a very positive and special time. Our desire is that you will write to your boy while he is at the ranch. Any correspondence containing obscene, offensive, or vulgar language, oppressive, disheartening content, money or other inappropriate materials is prohibited. Correspondence to residents should be positive and encouraging in nature. All letters must be written in clear, English language. If your son is expecting a letter, please do not disappoint him and neglect writing to him. Food, candy and drinks are not allowed to be sent to the boys by mail.

VISITATION POLICY - All visits must be approved directly with the Director and must file a Visitation Request Form two weeks prior to the visit. All Visitations must be conducted in the English language. See the attached Visitation Policy.

RUN-AWAY POLICY - If a resident leaves the property or leaves from an organized event without permission (i.e.: runs away), the Lighthouse Ranch for Boys assumes no responsibility for their welfare or conduct while they are gone. We will take all necessary measures including but not limited to contacting the local authorities to find them but we will not accept any responsibility for their actions. In the event that a resident violates this policy and runs away, it will be at the sole discretion of the director whether to accept the resident back into the program. If the resident is allowed to return to the program, a three month extension may be added to his remaining time at the ranch for each time he violates this policy and is re-accepted.

AUTHORITY FOR CORRECTIVE ACTION - The director of Lighthouse Ranch for Boys or his authorized staff will administer approved corrective action and controls to any resident as deemed necessary by the Director to control their behavior.

GIFTS FOR YOUR SON - In order to promote family support and to discourage homesickness for the resident, parents/guardians are encouraged to provide gifts and greeting cards for their son at birthday time and Christmas time. Recommended gifts are clothing and shoes, or books and educational games for your sons. Gifts may not include food products, cellphones, computers, jewelry, electronic games (except those that are approved and do not require internet connection), radios, or objects that could potentially become weapons or cause damage to the resident or others or to the Ranch facilities. *Residents are not allowed to have extravagant or expensive clothing, shoes or personal effects at the Ranch.*

COMPUTERS & INTERNET - Because of the dangers and pitfalls of the internet, computer and internet access is tightly restricted on campus and not allowed for residents. Furthermore, residents are not allowed to have social media accounts (including but not limited to Facebook, Twitter, Myspace, or any other online service or organization, etc.) and all such accounts must be turned off during the time a resident is enrolled at the Ranch. Residents' access to the internet (for email or any other reason) is deemed as an unnecessary distraction and is strictly prohibited.

School Achievement - Because our school, Lighthouse Christian Academy does not socially promote its students, Lighthouse Ranch makes no guarantee that a boy will complete his school work, or advance academically. However, every effort will be made to encourage him, challenge and lead him to strive for academic excellence and finish his stated academic goals.

1. It is critical that each resident be required (by parent/guardian) to fulfill the term of his entire Service Plan as diagnosed by the Service Plan manager. This plan is specifically assigned to fit the needs of individual residents. Early withdrawal of residents could serve to return them to the same environment and behavioral disorders from which the Ranch program rescued them. Unless a resident spends the required time to develop new habits, learn personal discipline, set and fulfill new goals in life, he could continue to repeat the error of his ways. Historically, when a resident is withdrawn early, he falls back into his old self-destructive lifestyle.
2. After approval and enrollment, each resident remains in residence at the Lighthouse Ranch for Boys, and in attendance at the Lighthouse Christian Academy for a minimum of twelve (12) months. This term of attendance is subject to extension or reduction at the discretion of the director of Lighthouse Ranch for Boys. This agreement can be terminated at any time by either the Director of the Lighthouse Ranch for Boys or the parent/guardian however, should the parent/guardian decide to remove their child EARLY from the program at the Lighthouse Ranch for Boys, an early withdrawal fee of **\$4,500.00** will be required prior to release of said child. The EARLY withdrawal fees can only be paid with cash or certified check.
3. If the resident is removed EARLY from the Ranch as result of executive decision of the Director, any refund of tuition will be pro-rated by daily rate less all outstanding charges, less early withdrawal penalty of \$250. There will be no refund of room deposit.
4. If the resident is withdrawn EARLY from the Ranch by the parent/guardian [as result of a decision by the parent/guardian], and the parent/guardian wishes to re-enroll him, a reinstatement fee of \$500 [if applicable] will be charged in addition to all other standard enrollment fees. There will be no refund of room deposit.
5. The Lighthouse Ranch for Boys has the right to terminate any resident in the program if it is determined that said child is not responding to the program; if said child has become a threat to himself or to others; if said child's parents/guardians fail to uphold their financial obligations to the Lighthouse Ranch for Boys; and/or if the resident/parents/guardians fail to support the rules, regulations, or guidelines of the Ranch.
6. If a boy is removed from the property without (the resident and/or parent/guardian) meeting with the director; satisfying the Ranch Discharge Policy and financial responsibilities; or said child leaves the property without authorization or leaves from an organized event without permission (ie: runaway) the Lighthouse Ranch will not be liable for said child's actions or any resulting injuries received by said child while they are away from the Ranch.
7. If a boy does run away or leave without authorization from the director, his placement at the Lighthouse Ranch can be considered terminated. Should such termination occur, the parent/guardian shall not be entitled to any refund of fees paid, deposits or costs incurred in placing or keeping the resident at the Lighthouse Ranch for Boys. Should the Director agree to accept said child back into the program, a three (3) month extension could be levied on said child for their behavior.
8. Unpaid financial obligations include but are not limited to balances due on tuition, incidentals, deposits, damages to property, school expenses, haircuts, medical, dental, optical or counseling expenses, etc.
9. Until all financial obligations are satisfied with the Lighthouse Ranch for Boys, none of the following will be released to the boy or to his parents/guardians or assigns:
 - a) Records (Ranch business, personal, school, transcript, diploma, medical, psychological, psychiatric, accounting, counseling, legal (probation, parole, etc.))
 - b) Personal items, school supplies, clothing and shoes
10. Transfer of School Records. After all financial obligations are satisfied, school records will only be provided upon written request of the resident's new school. The records go directly by mail to the school, not to the resident or his family.
