Let’s Explore Animal Art in the Park!

Start at this sculpture on the east side of the park.

Don’t be Sheepish...
Give the sheep something to say and think.

Draw another animal in their pasture.

“Sophie” is 16 feet long!

How tall are you? Draw a happy face next to your height.

Who is the tallest person you know? Write “Wow!” next to his or her height.

My guess is that Sophie is “taller” (you know, if she stood up like you and I do...) than both of you added together!
