FOR THE HEALTH AND SAFETY
of Our Visitors, Staff, and Volunteers

All visitors are required to wear a face covering or mask.
Currently, the Museum is able to accommodate up to 50 visitors at one time.
Hand sanitizer stations are available at several locations throughout the Museum.
Upon entry, all visitors will be asked to fill out a COVID-19 screening and contact tracing questionnaire.
Additional signage and social distancing markers have been placed throughout the Museum.
We accept debit cards, credit cards, and checks as forms of payment. Cash is not currently accepted.

Wednesdays and Fridays from 12 to 1 pm are reserved for seniors and other vulnerable populations. Vulnerable populations include: individuals who are sixty-five (65) years and older; individuals with chronic lung disease or moderate to severe asthma; individuals who have serious heart conditions; individuals who are immunocompromised; pregnant women; and individuals determined to be high risk by a licensed healthcare provider.

2020 has been a challenge for everyone and it has certainly brought unprecedented changes to the Cultural Services Department. In mid-March, the Museum and the Rialto closed. Fortunately, after variance request approvals from the Larimer County Health Department, we reopened the Museum on June 16 and the Rialto on July 23.

The safety of our visitors and the staff is paramount. Masks and contact tracing information are required and cleaning is repeated throughout the day as needed. We are happy to report that our visitors have reported positive experiences and feel safe in our facilities.

Everyone was looking forward to events planned in 2020-the Rialto’s 100th Anniversary celebration, the Foote Lagoon Series, the Cherry Pie Festival and the Bronze Pour to name a few. We are hopeful they will return in 2021. The exhibits and programming schedule was reconfigured, moving the Rotarians’ Governor’s Show to the fall and moving others in future years.

Creativity flourishes via online programming and activities. Even after COVID-19, we expect to continue some of the new virtual programming that has been developed during our closures. Online meetings are the new norm, although we will welcome a return to live meetings, too!

It is wonderful to have the community back in our buildings. Thank you for your support and for your flexibility as we struggle through this together.
