

EVEN IF YOU OR HOUSE
MEMBERS ARE COVID-19
POSITIVE OR SHOWING
COVID-19 SYMPTOMS:

YOUR PET IS ESSENTIAL

MASH is not turning away patients because of COVID-19 positive family members. MASH knows that pets, despite this virus pandemic, still get sick and need care. We have specific protocols in place to take in patients from COVID-19 positive households. Please call us at 855-350-7387 if your pet needs care.
