HIPAA – Notice of Privacy Practices

This notice, effective immediately, describes how medical information about you may be used and disclosed as well as how you can get access to this information. Please review carefully. Our office is required by law to maintain the privacy and confidentiality of your protected health information in addition to providing our patients with notice of our legal duties and privacy practices with respect to your protected health information.

Disclosure of Your Health Care Information

Treatment – We may disclose your health care information to other healthcare professionals within our practice for treatment, payment, or healthcare operations.

Payment – We may disclose your health care information to your insurance company provider for payment or health care operations. We have your permission to disclose your health care information to your insurance company for appealing claims on your behalf.

We may disclose your health care information as necessary to comply with State Workers' Compensation laws, Public Health Authorities, Emergency situations, Judicial and Administrative proceedings, Law Enforcement and Medical Examiners. Your health care information may also be disclosed to Research that has been approved by an Institutional Review Board, when necessary to prevent a health or safety issue, to military or national security and government benefit purposes, for company approved marketing purposes, showing gratitude and appreciation for referrals and change of ownership.

We reserve the right to change and amend this Notice of Privacy Practices at any time. Our office is required by law to maintain the privacy of your health information as well as provide you with notice of its legal duties and privacy practices with respect to your health information.

I understand and have been provided with a Notice of Privacy Practices, which offers a description of the information uses and disclosures. I understand and had the right to review this notice prior to signing the consent, the right to object the use of my health information for directory purposes and the right to request restriction as to how my health information may be used or disclosed to carry out treatment, payment or health care operations.

Patient Responsibility & Assignment of Benefits

Our practice is committed to providing you with the best possible health care. Your clear understanding of our Financial Policy is important to our professional relationship. Please ask if you have any questions or concerns about our fees, or any content written in our Financial Policy below.

As a courtesy, we will submit claims for all services rendered to your insurance company. Please note your individual health insurance policy is a contract between you and your insurance company, and we cannot guarantee benefit coverage and/or payment. Coverage is based on medical necessity, plan limitations, and guidelines. Please keep in mind that some of our services may not be covered by your insurance policy. By providing for care, you agree that you are responsible for all services and charges, regardless of your insurance.

While providing care for your medical need's certain tests and/or services are necessary for diagnosis, treatment, and maintenance of good health. All lab work performed in our office will be sent to Labcorp, Sonora Quest, or a third-party laboratory, and billed to your insurance. If these tests and/or services are not covered by your health insurance; you may receive a separate bill from Labcorp, Sonora Quest, or third-party laboratory for those services rendered.

It is important that you understand that you are responsible for all charges that may occur during your visit. In addition to paying for any insurance co-payment, co-insurance, or deductible balances at the time of service, you may also be responsible for services not covered by your insurance carrier. Insurance companies may set certain guidelines and/or limitations, understand it is your responsibility to abide by the guidelines set by your individual insurance policy. If your insurance carrier denies the medical claim, the patient is responsible for timely payment of the account.

Cancellation & Late Fees

A 24-hour notice is required if you are unable to keep your appointment. Missed appointments and appointments not cancelled within a 24-hour notice will be subject to a fee of \$50.00 and must be paid before you are able to be rescheduled. _____ (Initial)

If you are more than 15 minutes late for your scheduled appointment (other than weekly TRT visits) and fail to call informing the practice in advance you will be subject to a late fee of \$25.00. _____ (Initial)

I have read the financial policy for the practice and understand that I am responsible for all charges on my account. It is my financial responsibility to supply payment for any charges not covered by my insurance plan including, but not limited to co-insurance, co-payments, and deductibles. I understand that co-payments for the office are due at the time of service.

ALERT TO ALL PATIENTS NO CALL - NO SHOWING APPOINTMENTS

Hello All Patients,

A new protocol is in effect 01/01/2019 regarding the importance of calling 24 hours in advance to cancel a scheduled appointment and calling prior to your appointment time to notify the office that you will be late to your scheduled appointment. If the appointment is not canceled 24 hours in advance or you no show an appointment there will be a fee of \$50. Also, if you are more than 15 minutes late to your appointment there is a late fee of \$25 and it is up to the providers discretion if you can still be seen that day or need to be rescheduled to another day. These fees must be paid for prior to scheduling your next appointment. This is to ensure each patient has the availability to schedule an appointment if needed in that time slot. We appreciate your cooperation in advance.

Sincerely,
MVC Staff

Please sign/print your name below stating you understand the new protocol and that you are aware of this new update effective 01/01/2019.
