

Come join The first year with us as SEA!

We are excited to let the news out That MGA tifton will now be SEA (Southern Elite Allstars) .

Welcome to SEA! We are excited that you have chosen to become a part of Southern Georgia premier competitive cheerleading program! Our mission is **simple: “WE BUILD CONFIDENCE!”** Our goal is to make your child more confident, by teaching them about hard-work, dedication, and goal setting in a fun, positive, and family environment. It is also our goal to make sure that every family and cheerleader, alike, has a positive experience with SEA. We invite you to stop being held back and let SEA unlock your true potential!

Take a moment to read through the entire packet as we have made several changes this year. After you have read and understand the entire packet, please fill out the following pages: Roster Information, Waiver, and Squad Questionnaire.

Please be prepared to turn in all of the above pages along with a photocopy of your cheerleader’s birth certificate, tryout fees, and a copy of your child’s insurance card. **Tryout fees are \$65, but you can save 10% plus take one tumbling class a week if they are turned in by April 7th.**

Tryout Fee

There is an annual MGA Tryout fee of \$65 Save 10% if turned in before April 7th

This must be paid before tryouts. No one will be allowed to tryout until this fee is paid and accounts are zeroed out from last season.

Team Types

Please note that no athlete has an absolute guarantee of a roster spot on a particular team. The coaching staff reserves the right, at any time, without notice, to change the roster of a team by adding, rearranging, or removing athletes to or from teams for a performance or practice. However, we attempt to make roster changes infrequently and with as much warning as possible.

Please also note that no athlete has a right to any particular role or location in a routine. Coaches change formations and stunt groups for a variety of reasons, many of which have nothing to do with the relative ability of the athletes in question. Many times the flow of choreography or formations dictate changes be made in which athletes are doing certain skills. While you are free to ask the coaches (at appropriate times) to explain any of their decisions, making demands or threats regarding placement in routines are never successful and may result in the immediate dismissal of the athlete from the program.

All-Stars Novice-The purpose of All-Stars Novice is to give children the All-Star Experience, without the financial commitment, time commitment, or stress of competitive cheer. This 11- Month program allows kids to learn at their own pace, showcase skills that they have worked hard to master, participate in other sports and activities outside of cheer, all without the stress of competition. MGA's All-Stars Novice provides the excitement of competition cheer, without the stress of placements and levels. All-Star Novice teams still focus on MGA's core values, of discipline, dedication, and teamwork, all while building your child's confidence.

All-Stars Prep: (Tryouts will be on a later date in November) SEA's All-Star Prep teams are designed for parents and kids who want to experience the excitement and fun of all-star cheerleading, without the full commitment of our Elite Level All-Stars. Regional Teams will practice **2 day a week** (with some extra

practices), for **1.5 hours**, are not required to take extra tumbling, but we suggest it, and will compete at only 1 day events in the state of Georgia 2- 3 times a season.

Elite Level All-Stars: MGA Elite Level All-Stars are designed for the highly competitive child and parent. SEA's Elite Level All-Stars will practice 2-3 times a week, **will be required to take additional tumbling classes**, will have additional practices scheduled throughout the year, will be required to attend summer camp, and will compete at both 1 and 2 day events. While these teams compete mainly in the state of Georgia, they do travel out of state once to twice a season.
