

Tinkering Toddlers:

18 months-36 months

Build on your child's curiosity to explore by interacting with peers in our stimulating environment!

Tinkering Toddlers

- Classes meet for 45 minutes, once a week
- Mold, draw, cut, paste, and tinker together while developing fine motor skills
- Sessions run monthly and are offered year-round for continual development
- Each session has a new theme for new learning opportunities!

Our Parent/Child **Tinkering Toddlers** classes are fun and interactive and allow your child to explore their curiosity. In addition to songs, finger plays, music and movement, we begin to focus on STEM (science, technology, engineering, math) and Art concepts by offering a variety of activities that allow for inquiry and investigation. Our thematic classes provide for relevant, engaging, active learning!

Classes meet once a week. Tuition is monthly. **NEW** themes in every session. Sign up year-round!

Tinkering Toddlers:
