

# Birthday Parties

Birthdays are supposed to be a time for celebration, not stress. Host your child's themed birthday party in our Studio and leave the planning and clean-up to us! Each party is packed with 2 hours of fun and entertainment suitable for kids Pre K through 6<sup>th</sup> grade. During your child's party, kids discover the **AWESOME** side of STEM (Science, Technology, Engineering & Math) through hands-on demonstrations, the **IMAGINATIVE** side of Art while creating beautiful pieces, or the **WHOLESOME** fun of Cooking from scratch! Our party hosts are MINDWORX instructors who will keep children engaged during your event. Choose your favorite theme for your child's next birthday party!

You may call 512-828-7781 or reserve online at [www.mindworxlearning.com/birthday-parties/](http://www.mindworxlearning.com/birthday-parties/)
