

## Scouts/Homeschool 'Worx'shops

THEME:	ACTIVITY:	DESCRIPTION:
1. "Mythbusters" Science!	Become a scientist for the night! Explore magnetism by making a magnetic train, make slime, and defy gravity by performing amazing balancing acts with everyday objects!	2 hours of FUN and hands-on science activities, complete with lab coat and goggles.*  *lab coat & goggles remain the property of Mindworx
2. Programming Pajama Party!	Start learning to code while in your comfy jammies. This pajama party includes hot chocolate & marshmallows!	1.5 hours programming + 30 minutes for crafting activity: "Binary Code Name Necklaces"
3. Lights, Camera, Action!	Learn about video editing, sound recording, & more while creating stop-motion animation videos to share with friends & family!	2 hours of FUN using the Hue animation video editing software! Add clay, legos & more to learn the stop-motion animation creation process!
4. Excellent Engineering!	Have a FUN engineering & tinkering night! Engineer an art bot, bubble machine, bumperball game or self driving car using bluetooth technology!	2 hours of engineering & tinkering to inspire your little engineer! Add legos & bluetooth tablets to enhance the learning FUN!
5. Foodie Fun!*	Cooking up new recipes is always fun. Learn about nutrition and food choices along the way!	1.5 hours of cooking + 30 minute make it take it craft activity: "Kooky Kooking Spoons"
6. Artarama!*	Learn new art techniques as you experiment with watercolor, acrylic, canvases & more!	2 hours of art fun! Encourage your mini Monet's to experience a fun art 'worx'shop and develop confidence along the way!
7. Remix It!*	Want to mix up your night? Participate in two themes, one night! One hour for each theme. This is good for groups larger than 12 so each child will get individualized hand-on experiences!	This will include 1 hr for each theme, and is a great introduction to our Mindworx STEM and Creative Arts programs!

\*THIS THEME WILL BE CHOSEN FOR YOU IF YOU PLAN TO HAVE MORE THAN 12 PARTICIPATING CHILDREN IN YOUR 'WORX'SHOP

**Pricing:** \$25 per child- minimum of 10 children

**Add:** \$5 per child for *Artarama* or *Foodie Fun* 'worx'shops

**Duration:** 2 Hours

## Benefits of a Mindworx Workshop

- Exclusive use of our bright and fun modern Studio environment
- Coupons for each attendee for a FREE introductory class to any Mindworx After School Enrichment Program
- Make and Take Crafts
- Mindworx provides, sets up and cleans up all facilitated activities!

## Details about Themes

- Please note that not all 'worx'shop themes (in particular the "Lights, Camera, Action!" and the "Excellent Engineering") will have a make and take activity to take home. All of our themes involve very engaging and hands-on experiences, but not all include a take home activity.
- Recipes for Foodie Fun 'worx'shop will be determined and agreed upon with both parties before your event.

## 'Worx'shop Logistics

- 'Worx'shops can be held during the day or early evening M-F, or on Saturdays. Each 'worx'shop is 2 hours. Facilitated activities start within 10 minutes of your scheduled start time to allow all participants to arrive, and ends promptly on time.
- All of our 'worx'shops require a 2 week advanced notice.
- Our 'worx'shops are scheduled on the basis that there will be at least 10 participating children.
- Once your event is scheduled, a deposit of \$100.00 will be required to keep the space open for you to attend. All balances due for the 'worx'shop will be calculated during the event and must be paid for during or directly after your 'worx'shop. The total balance due is based on the number of participating children (up to 24).

## Customize Your 'Worx'shop

- You are free to provide and serve homemade or storebought food. Our Mindworx instructors will only be responsible for providing the facilitated activities for our themed 'worx'shop and will not be responsible for preparing, serving, or cleaning up food brought in from outside. If you are bringing in food, please let us know. You will need to provide all serving utensils, plasticware, paper goods, and trash bags to clean up any food brought in.

## 'Worx'shop FAQs

### **What is the payment, cancellation, and schedule change policy for your 'worx'shops?**

Reserve your event with a non-refundable \$100 deposit when you book the date. All balances due for 'worx'shops must be paid to the Coordinator during or directly after the event.

If you must cancel your plans, please do so at least 7 days before your event. We offer refunds minus a \$50 processing fee. If you cancel less than 7 days prior to your event, we are not able to offer a refund of your deposit.

### **Can I transfer my 'worx'shop to a different date and/or time?**

We cannot accommodate direct transfers to a new date or time. If you need to change the date or time of your event, our cancellation policy will apply.

### **How many guests can attend my 'worx'shop?**

'Worx'shop fees include activities and supplies for between 10 and up to 24 participating children.\*

Due to Studio space, the maximum capacity for a 'worx'shop is 48 people, including all adults and children. If your total attendees exceeds the 48 event capacity, you will be charged a \$25 overage fee.

Non-participating children, such as older and younger siblings are included as part of the overall count of event guests, even if they are not participating, with a total of 48 people maximum.

\*If you have more than 12 participating children, we require that you choose the Remix it theme, in which case, you get two wonderful experiences at an hour each!

### **Can the adults participate in the activities?**

Yes! In order to keep supply costs reasonable, grownups can work with children on activities rather than creating additional projects.

### **What if I am inviting a child that is not participating in the activity? Will there be a charge for that child?**

Event capacity is 48 (up to 24 participating children + adults and non participating siblings). If your total attendees exceed the 48 party capacity you will be charged an \$25 overage fee.

Our 'worx'shops include activities and supplies for between 10-24 participating children.

Non-participating children, such as older or younger siblings are included as part of the overall count of event guests, with a total of 48 people maximum.

### **What if I am inviting a child that is not participating in the activity? Will they receive a coupon for a free class?**

No. Only participating children will receive a coupon for a free introductory class.

### **When can the hosts arrive and set up any food we may bring in?**

Hosts may arrive at Mindworx 20 minutes in advance to check in with the Coordinators, finalize a head count, make payment, and set up any food brought in.
