

"IT'S ALIVE!" SPRING BREAK CAMP

Have an Animal Lover at home? Enjoy Spring Break Camp with us & discover the natural world through hands-on activities & guided exploration of our planet's animals, plants and habitats!

Through interactive, hands-on exploration, students will have opportunities to dive into learning about our ecosystem and explore topics such as pollination, animal camouflage, the water cycle, root systems, and more!

**INCLUDES FIELD TRIP TO
THE AUSTIN AQUARIUM!**
