

Access to Technology and Information

Did you know that you can reserve digital offices, computers and phones?

What is a Digital Office and how do I reserve one?

A Digital Office is a private office reserved only for registered MC guests to use for 45 minutes at time for remote meetings with:

- Case workers
- Doctors
- Other private remote meetings

Three Digital Offices are available and come equipped with:

- Computer
- Video conferencing technology
- Staff support to help you log-on

How do I sign up to use a computer or phone?

- Check-in for the day
- Reserve a time with the Front Desk staff to use a computer or phone
