RESIDENTIAL LEASE

THIS RESIDENTIAL LEASE (the "Lease"), made on **November 29, 2017** is entered into by and **between My House Property Services, Inc.** (the "Landlord"), and **Test test** and/or **Test Sublet** and/or (individually and collectively the "Tenant") with reference to the following facts:

NOW THEREFORE, in consideration of (i) the payment of rent and the performance of the promises by the Tenant, and (ii) the mutual covenants all as set forth below, the Landlord and Tenant hereby agree as follows:

1. Lease of the Premises.

a. The Landlord has this day leased to the Tenant the Premises located at **123 Happy Ln, Fort Collins Colorado, 80525** to be occupied under the terms cited and conditions set forth in this Lease. The term of this Lease shall be from 12:00 o'clock (noon) **August 01, 2013** to 9:00 o'clock (am), **July 27, 2018**. Move-in shall occur on or around **August 06, 2013**. The Premises shall be occupied and used only as a residence by said Tenant. No more adults than stated above are permitted to occupy the Premises without the advance written permission from Landlord. A guest who stays longer than 14 consecutive days or 30 days in a 12-month period is considered occupying the Premises. If any additional persons or pets occupy the premises without an amendment to this Lease, the Landlord shall be entitled to collect an additional 20% of the gross lease amount for each additional person and/or pet for the entire term of the Lease. This additional rent shall not preclude the Landlord from enforcing any of the existing covenants of this Lease, including termination of the Lease for the violation of the agreed upon occupancy.

b. In addition, the Tenants to this Lease specifically assume the risk of any over-occupancy based upon local ordinance. The Landlord shall not be responsible for any damages or adverse consequences that may result from the Tenant's voluntary decision to over occupy any particular dwelling. The Tenant hereby stipulates that over-occupancy of this dwelling is not a material breach of the Lease by the Landlord.

c. If Landlord is unable to deliver the Premises to Tenant on or before the move in date of the Lease as set forth above, for whatever reason, including a previous Tenant's failure to vacate, Landlord shall not be in default hereunder. In any such event, Tenant agrees to accept possession of the Premises at such time as Landlord tenders the Premises to Tenant with appropriate rent abatement until possession. Tenant waives any right to collect damages as a result of Landlord's failure to deliver the Premises on the specified date. If the Landlord is unable to deliver the Premises for 14 days after the Planned Move In Date, noted above, Tenant may terminate lease.

d. Holdover. This Lease shall automatically terminate at the expiration of the term, set forth in paragraph 1(a) above, without further notice or demand. However, should Tenant occupy the Premises after the term of the Lease has expired and continue to tender rent which is accepted by the Landlord without a new written agreement as to such possession, the such Tenant shall be regarded as a month-to-month Tenant, at a monthly rental rate, payable in advance, equivalent to the last month's rent paid under this Lease plus a 15% surcharge, and subject to all the terms and conditions of this Lease. In such event, Tenant shall thereafter give, or be given, 30 days written (not email) notice before the end of any subsequent rental month before vacating.

2. Rent, Deposit and Additions. The Tenant shall pay Landlord a total of **\$140696.77** as rent for the term stated payable in the amount of **\$2350.00** per month, due on the first day of the month to be delivered or mailed to 1302 S Shields, A 2-3, Fort Collins, CO, 80521 or to another designated location, advised by the Landlord. Any rent not received by Landlord on or before the first shall be delinquent and is subject to a 10% of total monthly rental rate and any outstanding balance as a late fee. If the rent due/delinquent date falls on a weekend or holiday, it is the Tenant's responsibility to make sure rents are paid in advance prior to delinquency in order to avoid a late charge assessment. Postmark dates not accepted. There is no grace period for rental payments. **Cash and debit or credit cards are not accepted.** All payments received will be applied to the oldest outstanding balance first. A charge of \$35.00 may be made to cover extra costs of handling a returned check, as well as applicable late fees. Following the return of any check for any reason, thereafter the Tenant shall make all payments under this Lease with a certified check or money order only.

Tenant has deposited or agrees to deposit with Landlord **\$2350** as security/damage deposit against the breach by the Tenant of any of Tenant's covenants and agreements contained herein. Such deposit may be commingled with other funds of the Landlord, and Tenant shall not be entitled to receive any interest on such security deposit. In no event shall the Tenant unilaterally apply the security deposit towards the last month's rent payable by the Tenant.
