

Pub on Colfax

To whom it may concern,

Charlee Burnor has provided Karaoke Host services to the Pub on Colfax. She is an excellent host, always conducting herself in the most professional manner. Her shows are always upbeat and energetic. Charlee is very personable and has become a crowd favorite. The staying Power of Charlee's shows keep my customers in their seats longer thus raising my per table averages. I would without hesitation recommend Charlee Burnor and JAMMIN' DJ's to anyone looking for Karaoke services.

Thanks,
