John,

I just wanted to say thank you again for such a great job at Jennifer and Rhett's reception on Saturday night. It was a blast, and I talked to Jennifer yesterday and they told me that they had a great time, and they both will recommend you to anyone who needs a DJ. It was nice getting to talk to you and if you ever get to California you will have to let me know. Good luck buying a house and if you have any questions about anything in that area please feel free to drop me a note or give me a call and I will help you in any way that I can. I have a lot of great clients on the mortgage side of things that I can recommend to you. Please let me know if I can be of any help to you. But seriously thank you so very much for helping make Saturday so fun for all of us that stayed. Bet you will never forget that reception! Have a great week!

TO WHOM IT MAY CONCERN:

It is with pleasure that I provide a letter of recommendation for John Murray of Jammin' D.J.'s. In the 20 years I have been in the club business, I have worked with many entertainment companies, and I have never encountered a more reliable or dependable company than Jammin' D.J.'s

We have contracted John Murray's services for everything from a formal wedding ceremony and reception, to an audio-visual presentation for 250 plus people, to poolside entertainment on Sunday afternoons. John provided entertainment for our annual 4th of July celebration using state-of-the-art equipment to cover the entire clubhouse grounds with over 2,000 people in attendance. John has an extremely pleasant personality and delivery when entertaining and many of our members ask specifically for him when planning parties or events.

I think John Murray is an exceptionally talented young man with a very unique ability to create a fun and exciting environment for those attending an event and a very comfortable environment for those responsible for the execution of the event.

Sincerely,
