

For you and your dog's safety we only permit one customer in the waiting room at a time. We have dogs that we've never met come in for grooming, evaluations, or to inquire about services. Some of the dogs that come here have severe leash aggression. Not all dogs get along. There may be a dog in the waiting room that your dog does not get along with. We ask that you inform anyone that is coming to pick up your dog(s), that they must follow these rules. We do not want any incidents in our waiting room.

Effective immediately- For customers with standing reservations or set days, if you do not call to cancel your reservation for two appointments in a row, all future daycare appointments will be cancelled. After the second no show, we will send you a bill in the mail stating the balance of \$27.16. If the balance is not paid in full, we will no longer accept your dog for future visits.

We can only accept a certain number of reservations per park for each day. We decline other clients based on the number of reservations we have for the day. So, it is important for you to let us know if you will not be bringing your dog for daycare.

Please keep your dog's vaccinations up to date and bring us a copy from the vet. We will be unable to take your dog for daycare if we do not have up to date Bordetella, Distemper and Rabies vaccines in our system.

Please note, these procedures are in place for the safety of both you and your dog. We want you to have the best experience possible at the social Hound!
