

Glen at Masons Creek

2017 Window Cleaning & Pressure Washing Pricing

Job Detail : Option of Interior and exterior window cleaning to include wiping of interior sills or exterior only window cleaning. We will use no harsh chemicals during the cleaning process. There are various home models and window layouts throughout development and pricing will vary depending on model and layout (Homes with high work and open foyers will fall into the higher end pricing whereas homes without said work will fall toward the lower end pricing). Hard Water stain removal is not included in general window cleaning service but can be priced upon request.

All work will be completed by a uniformed crew to industry standards. Shoes will be removed or protective boot covers will be worn to protect the interior floor coverings from becoming soiled. Window sills and immediate area in front of windows must be cleared by home owner for proper access to windows for cleaning

Prices are discounted and are valid for residents of the Glen at Masons Creek Community ONLY

Window Cleaning (Save 25% OFF our regular prices)

Due to the various Models available in the Glen at Masons Creek Community Please Email or Text us with the home model you have and make sure to include any options that you have. For example: 15 lite French doors , sliding doors, or optional windows. Some folks like to attach photos of their home as well. This helps us provide the most prompt & accurate quote. Thanks!
