

Our Mission

Our mission is to support and care for the families in our community by providing compassionate, innovative and personalized care. We take a comprehensive approach to care and believe it is best delivered in the comfort and privacy of our client's home.

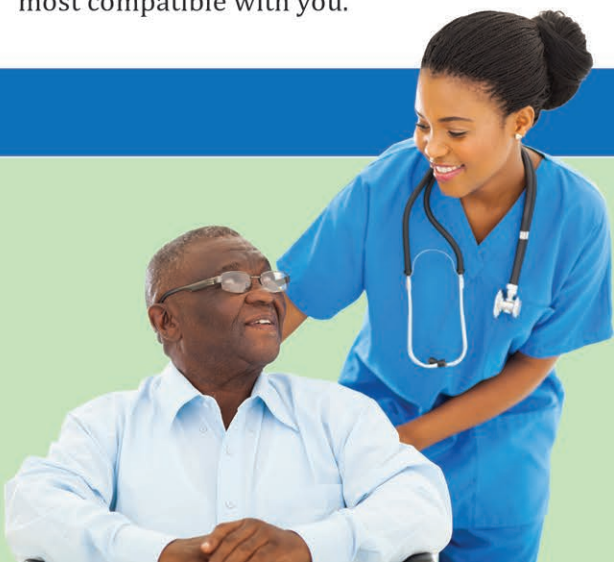

Our Core Values

The Nova Home Health Care Core Values describe who we are. Patients are our top priority, and at Nova Home Health Care, we are dedicated to providing:

- Individualized superior quality services tailored specifically for you by the caregiver who is most compatible with you.
- Prompt and timely responses 24/7 to all our client and patient referrals.
- Honesty, integrity, respect, and reliability in all that we do and say.
- Open, clear communication between all clients and staff.

Our Promise to You

We at Nova Home Health Care, will provide you the highest level of home care service tailored specifically for you by the caregiver who is most compatible with you.

Commitment To Quality

Nova Home Health Care is a locally owned and operated Medicare Certified home health care agency. Our mission is to support and care for the families in our community by providing compassionate, innovative and personalized care. We take a comprehensive approach to care and believe it is best delivered in the comfort and privacy of our client's home.

Trained and Licensed Team of Professionals

The staff at Nova Home Health Care are trained, fully insured/bonded and licensed professionals who live in the communities they serve. Our healthcare professionals meet and exceed the highest competency standards in the industry. All our candidates complete a rigorous four-stage assessment, including:

- Complete Background Evaluation
- Competency Evaluation
- Orientation Competency Evaluation
- Continuous Evaluation
