Effective Monday, March 23, and until further notice, OUR Center will change hours of operation for our food programs.

Lunch will be served via a drive-through system from 12:00 to 1:00 p.m. daily at 220 Collyer Street, Longmont.

Groceries will be available via a drive-through system Mondays, Wednesdays, Thursdays, and Fridays from 9:00 a.m. to noon and Tuesdays from 1:00 to 5:30p.m. Participants are eligible to come for groceries once/week to supplement their food needs and their budget.

Changes to our food distribution schedule have become necessary due to our decrease in volunteer support as we deal with the Coronavirus crisis.

Resource Specialists will continue to be available by phone (303-772-5529) weekdays 8:00 to 5:00.

Donations of food, toiletries, and cash are being accepted weekdays 8:00 to 5:00 at the south side receiving door.

We appreciate the community's support and patience as we navigate the critical needs of our neighbors at this time.
