

SPONSORSHIP OPPORTUNITIES

In September, 2012, 7 Loveland Service Clubs came together for the first time with the help of the Loveland community for the first annual “Paint Our Town.”

The project volunteers and sponsors helped paint the homes of individuals and families that could not do so on their own. In its first year, 183 community volunteers and service club members successfully painted ten homes in one day.

We believe that service to our communities helps our area flourish and keeps the spirit of volunteer service alive. All of our respective charters include commitments to keep our community strong and healthy. Paint Our Town is just one of many contributions to Loveland through a unified volunteer effort among all 7 clubs. We expect the project to continue to increase the strong spirit of volunteerism that already exists in the Loveland area.

WHEN IS PAINT OUR TOWN?

Paint Our Town will be held on September 17th, 2016.

HOW ARE THE FUNDS RAISED USED?

100% of the net proceeds generated by Paint Our Town are used for supplies necessary to paint the 15 homes.
