1. I/We understand and agree that the service shall be provided on a month-to-month basis, and no fees will be credited for transportation services that are not used. **Fees for transportation are not pro-rated. June Transportation fees will be for a full month.**
2. The Above named student is enrolled as a student at Palm Academy and FasTrackKids for the 2013-2014 Academic School Year and requires the optional transportation service to be provided.
3. Fees for transportation to and from locations are based upon distance and time required for travel from Palm Academy to said locations. Therefore transportation fees will be determined by a staff member at the time of signing this agreement. These fees are non-negotiable.
4. Parents/Guardians are required to give reasonable notice if a student will not be present to use the transportation services. Failure to give notice will result in an additional \$10 fee.
5. Parents/Guardians who require transportation services understand that pick-up and drop-off times are estimates to the best of Palm Academy's knowledge and could potentially change due to normal and abnormal circumstances such as traffic or weather.
6. Palm Academy reserves the right to suspend students indefinitely from its transportation services due to misbehavior and Palm Academy is not responsible for students before they are picked up or after they exit the vehicle at scheduled drop-off points.
7. Payment for transportation services is due at the same time as regular tuition and will be included with and billed as part of a student's tuition. Cancellation of transportation services must be made in writing at least 15 days before the cancellation date.
