# Camp Topics

## **Mad About Movies Week 1**

You will LOVE this camp if you love movies and the kooky characters, animations and illustrations in them....from minions to dinosaurs to out of this world environments! Together, marvelous movies and art make for some movie madness! Campers learn how movies are made, tell movie stories and recreate favorite movie characters! Explore animation, storyboards, movie music, games and more while making new friends and exploring creative abilities.

## **Natural Wonders Week 2**

This week we will discover the natural wonders of the world as we 'travel' deep into the jungle, zip across the Sahara, into the ice-covered mountain ranges of Himalayas, and even explore the Grand Canyon.

Field Trip: Museum of Local History

## **Sportastic Week 3**

Your child will become professional athletes as they learn the rules and history of sports such as baseball, cricket, and many more. Every day encompasses a body warm up involving stretching and yoga, as well as fun games and activities simulating the wide world of sports. Children will be actively participating in learning and fitness!

Field Trip: Cloverleaf Bowling

**Edible Engineering**  
**Week 4**

***Art That's Good Enough To Eat!***

Get your spoon, paintbrush and chocolate syrup ready – we're going to create Art! From cupcake design to mosaics with food to chocolate syrup painting – it's all about the wonderful and wacky world of food art! We'll build spaghetti sculptures, learn about food artists such as Vic Muniz, and play “foodie” games. We'll even make our own incredible edibles!! (No peanut or peanut oils will be used.)

Field Trip: Food Tour

**Paws,  
Claws and Hooves!**  
**Week 5**

Calling all animal lovers! Bring your imagination and we will provide a ROAAAAARING camp experience! Make your favorite animals come to life using paints, collage, sculpture and more, while learning about animal habits and habitats. There will be cool artwork, games, stories, activities, animal talk and music.

If you LOVE animals and nature, and want to make awesome art projects while making new friends too, then this is the camp for you. Whether it's a growl or a meow, it will be FUN!

Field Trip: Petting Zoo

**Full Steam Ahead**  
**Week 6**

Interested in Science, Technology, Engineering, Arts and Math? This week of awesome activities involves introducing campers to a unique variety of STEAM projects, games and challenges. Activities to stimulate the mind and spark curiosity will vary but promise to encourage engagement and the imagination of every camper!

Field Trip: Rock and Jump

**Amazing Science**  
**Week 7**

Have you ever had the urge to mix a concoction or invent the next big thing? This is your chance to work with other budding scientists to discover cool chemical reactions, build your own working robot and use recycle materials to create useful product.

Field Trip – Science Museum

**Anatomy of Me  
Week 8**

Through the exploration of skeletal, respiratory, digestive, circulatory and nervous systems your child will explore the wonders of the human anatomy. Children will learn to develop healthy habits as they explore these amazing systems.

Field Trip – Aqua Adventure

**Canvas Studio  
Week 9**

Children are inspired by the works of famous artists as they join Ana Paula in the FasTrack art studio. They will create unique pieces of art, enjoy creating their own cartoon story, making sculptures and illustrating their own books

Fun Friday Activities – Art Showcase

**Got Talent  
Week 10 - 11**

Lights, Camera, Action! Children will showcase their creative talent throughout the week. Let us help you discover their hidden talent. There will be no shortage of bravado as we play, sing, act, dance, and shake our way through this show stopping week.

Field Trip – Talent Show
