The Cost of Starting a Payroll Business from Scratch versus Purchasing a Payroll Vault Franchise

Take the Easy Road to Starting Your Payroll Business...

There's no denying that launching a new business is both time and cost intensive—and there are many areas of business development that entrepreneurs tend to overlook. When you consider the effort required to secure a website domain, develop a solid brand, identify the right technologies, market the business, and more, it can be overwhelming. But...it doesn't have to be.

When you purchase a Payroll Vault franchise, the up-front work has been done for you. Over the years, we've mastered the art of running a successful payroll business and building a strong brand. This means that the process has been vetted—from website design to business model and marketing materials. As a franchise owner, you get a complete business with built-in best practices within an industry that is in high demand. Even better, our support team works with you to get your new payroll business up and running, so you don't have to go it alone. ***That's Payroll Vault!***

Compare the cost and time savings by purchasing a Payroll Vault franchise...
