

## Service Note

### Round 3 Application

Technician Name: \_\_\_\_\_

Today, \_\_\_\_\_, we serviced your lawn with the following Round 3 application(s):

\_\_\_\_\_ **Second Fertilization (F2):** Our second fertilization of the year encourages strong growth to help your lawn thrive through the summer and into the fall, maintaining that green color we all love. Spot treatment for weed breakthroughs is included.

#### What To Do Next

- Keep pets and people off of treated areas until dry – usually 1 hour.
- Wait 2-24 hours or more, then if it has not rained, water 15 to 30-minutes in each area. Watering moves the fertilizer into the soil.
- Mow as needed. If possible, BE SURE you water before you mow! If watering is not possible, please MULCH clippings.
- REMEMBER: Lawns need about one inch of rainfall, or equivalent watering, per week. Please see our website for more info.
- Some discoloration may be seen from weed touchups. This is temporary and typically fades by the time of the second mowing.

#### Client Portal

View your account and make payments online. Just visit our website and click “My Account.” To create an account, you will need your Client ID (found on your invoice) or call our office for assistance.

#### Missed Appointments

A \$35 trip charge may be added to your application if we established a date/time for service and are unable to access your yard and complete the application. Ensure that your gate is unlocked and your pets are put away.
